

PUBLIC LEDGER

WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., FRIDAY, NOVEMBER 6, 1903.

ONE COPY—ONE CENT.

A SWEET AUTUMNAL MEMORY.

When the autumn skies are gray and the earth is turning brown,
And the leaves in golden showers from the trees are falling down,
Memory on its silent pinions wings away toward the days
When the sun of youth was shedding on our head its golden rays.
We can see the shocks of fodder standing just as when we left,
See the chipmunks holding acorns in their claws so sharp and deft,
Hear the hick'ry nuts come falling from the grand old shellbark trees
When their limbs were softly shaken by the fingers of the breeze.
We can hear the turkeys gobbling in the barnyard 'cross the lane,
Hear the humming of the thrashers pounding out the golden grain,
See the yellow old cow pumpkins lying thick upon the ground,
With the stubble of the cornstalks sharply hedging them around.
But the very sweetest music that came to our boyish ears,
Music that has clung unto us through the intervening years,
Was the music that was started by the antics of the breeze—
Hick'ry nuts a rattling downward from the shaggy shellbark trees.
How as wild, shock-headed youngsters, hardy products of the farm,
Hasten to the near-by woodland, pillowslips hung on our arms,
Lading echoes with our laughter, answering the bob-whites' call,
When the frost was on the fences and the nuts began to fall.
Busy were our little fingers as we filled the muslin slips,
Tide, at times, the exclamations that would ripple from our lips.
As we'd pay the bold intruders, saucy well-dressed boys from town,
Out among the shellbark hick'rys when the nuts were falling down.
Looking back o'er life so riddled with its pleasures and its pains,
With its seasons glad with sunshine and its days of chilling rains,
Like an ever-sparkling jewel in the memory crown ablaze
Comes the joyous recollection of those careless boyhood days:
Comes a picture of the farmhouse, of the crooked old rail fence,
Of the saucy squirrels harking in the wood so deep and dense,
Of the leaves so softly rustling when disturbed by passing breeze,
And the hick'ry nuts a falling from the grand old shellbark trees.

We hope nothing serious will result from it.

MR. JOSEPH F. FERRIE.

After a protracted illness of many months, Mr. Joseph F. Ferrie passed away at his home in East Third street last night at ten minutes to 9 o'clock.

For the past thirty years he had been identified with the business interest and success of this city, and was at all times ready to assist in the progress and up-building of his adopted home.

Mr. Ferrie was born in the town of Washington March 5th, 1832, where he continued to reside until his coming here.

March 11th, 1873, he was married to Lemira M., daughter of Dr. Basil Duke of Mayslick.

In the 70's he rode as Deputy with Sheriff Perry Jefferson after which he was elected High Sheriff for two terms.

At the organization of the First National Bank he was given a position which he held for many years. He left the First National to take the position of Cashier with the Bank of Mitchell, Finch & Co., with which institution he remained until the day of his death.

Mr. Ferrie leaves a devoted and affectionate wife to mourn his loss as well as two brothers, Mr. Frank Ferrie of Dover and Mr. Charles T. Ferrie of Little Rock, Ark.

The funeral arrangements had not been decided at the time THE LEDGER went to press, further than that the interment will be in the Maysville Cemetery and Rev. R. E. Moss will officiate.

PALE FACES

BY SOME THOUGHT TO DENOTE REFINEMENT.

"What a mistake!" said Mr. Pecor, our leading druggist. "In place of refinement pale faces denote disease."

"A bloodless face indicates impoverished blood, pure and simple."

"What is the result? A weakened condition of the entire system, the development of humors, disfiguring eruptions and finally a general collapse."

"I wish your paper would tell every pale man, woman and child; yes, and every feeble old person, that I am so sure that our famous cod liver oil preparation, Vinol (delicious to taste, and without oil), will make rich, red blood, create strength and restore them to a normal condition, that I will pay for all the Vinol they take if it does not succeed."

"Why am I so sure? Simply because I have seen it succeed so many times that I now don't believe it can fail. You see it contains in a highly concentrated form all of the vital principles of cod liver oil, without any grease to upset the stomach. We know that it is fresh and actually does contain the fifty odd medicinal curatives taken from fresh cods' livers, and 'it is the real thing,' as the boys say. We do not ask you to take our word for it, but simply try it on our guarantee." J. C. Pecor, Druggist.

Ray's fine Chocolates are the best.

The Postoffice at Red Oak, O., is to be discontinued November 14th.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Hoerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge or weaken, but cleanse and strengthen. Sold by J. J. Wood & Son, Druggists.

Blankets...

Best to have them in reserve against sudden cold weather. After thoughts are apt to be melted out of icy experience. Buying blankets is a riskless proceeding here. Prices are very reasonable. Accurate details follow.

Cotton blankets for 59c in gray or white. A better quality for 75c in gray, brown or white and a still better for \$1.

Other desirable sorts are—
The Favorite for \$3½ pair, weight 4 lbs., size 60x82 inches, four parts wool, one part cotton.

The Homestead for \$4 pair, weight 5 lbs., size 72x84 inches, fine wool filling, spool cotton warp.

The Satisfaction at \$5 pair, weight 5 lbs., size 72x84 inches, all wool in warp and filling. This blanket is a very popular seller but we won't test your credulity by stating the number sold in a season, as it is inconceivable for retailers and a town this size.

The Old Kentucky for \$6 pair, weight 5 lbs., size 72x84 in., fine all wool filling and warp.

The Superlative for \$7½ pair, weight 6½ lbs., size 72x84 in., extra fine wool filling and warp.

HELEN GRANTLY'S ENGAGEMENT.

The engagement of Miss Helen Grantly at the Washington Opera-house on Monday, November 16th, should prove to be unusually interesting, as it will introduce Lorrimer Stoddard's romantic play, "In the Palace of the King," the vehicle in which Miss Viola Allen starred for two years. It was first produced in New York in September, 1900, and was so successful that it ran for 200 nights. As every theatre-goer knows, "In the Palace of the King" was dramatized from F. Marion Crawford's story of the same name. Many plays have been thus evolved from books but they have been of crude and careless construction. Not so with Mr. Crawford's story, however, as it is conceded to be the most powerful and convincing stage story seen in years.

THE RIGHT KIND

Women's coats and suits you can get anywhere, warm coats and suits and nice looking fabrics you can get anywhere, but to get pure wool fabrics made up in perfect style, to fit and hang correctly and to hold their shapeliness through months of satisfying service means something you can't get everywhere. But you can get it—and you can't get anything less, no matter how small the price—at Hunt's.

All our coats and suits are made over the smartest models even custom-made coats and suits are not handsomer.

Here are price suggestions.

Covert Coats \$5 to \$10.

Cheviot Coats \$7½ to \$12½.

Kersey Coats \$5 to \$25.

Zibeline Coats \$10 to \$30.

IMPORTANT—Some new things in suits and skirts received this week. Perhaps what you want and haven't found is in this lot.

MEN WHO WEAR

—and their name is legion—find that the principle underlying their manufacture is quality and nothing but quality. The phenomenal growth of this line substantiates the statement that the Walk-Over is today, and always has been, the best shoe for the price at which it is sold—

\$3.50 and \$4.

Nothing but perfect material and workmanship enter into its composition. A multiplicity of sizes, shapes and styles, brought down to the present, cover every possible demand. Two prices only, remember, \$3.50 and \$4.

And it is the best \$2 Doll in the United States today.

THE REWARD! As a proof that these dolls cannot be duplicated at this price in this country we will give to the first person a \$10 GOLD PIECE that can prove that any store in the United States is selling a doll as large as ours, as fine and as good in every respect and the same quantity to sell that we have. THE HOME OF THESE DOLLS is a little village in Germany, where an old German named Kurtz, famous for doll making, his father and his father's father made dolls, and now his children and his grandchildren are learning. We gave the order to his son to send them direct to us, and now you wonder how we out found this little doll home; but that's our secret. The price is \$1.19 for the best doll in this country, and it's not too soon to begin dressing them. Come and bring the little ones.

JUDGE HARBESON's majority is anywhere from 95 to 97; but ED. DAUM—well, what do you think of DAUM, anyhow?

ED. DAUM, the great Unbarten, is THE LEDGER's nominee for Governor—if the Republicans of Kentucky want to win the next election.

REPEATERS, bogus registrations and ballot-box thieves have saved CHARLIE PINTS the trouble of electing the Democratic state officers by count.

JUDGE BENNETT is to be congratulated on his splendid race against one of the most popular gentlemen in Kentucky for the Circuit Judgeship.

THE HON. JUNIUS PLUVIUS TARVIN, the political orator-Judge of Covington, will now have more time to manipulate Democrat Conventions and abuse Republicans from the raging stump. He is to be succeeded on the Bench by Hon. W. McD. SHAW, a Republican.

IN the person of Colonel WILLIAM J. WORTHINGTON of Greenup the Republicans will have one man in the Kentucky House that the Goebelites can't bulldoze.

DEFEATED but not demolished. CHARLEY DEGMAN will continue to raise the biggest punkins in the county and THE LEDGER will carry on business at the old stand.

IF TOM JOHNSON will come over to Kentucky and run for Governor on the Democratic ticket, he might pull through. Any old thing suits the machine-made majority in this state.

'TAINT so bad that it couldn't be worse. The Republicans carried the Eleventh District, anyhow; and down in this neck o' the woods we'll have Cox in the Senate—and then just think of ED. DAUM the great Unbeatable of Bracken!

Political Pickings

THE WALKING DELEGATE.

New York World.

The Plasterers' Society of this city has taken what seems to be a sensible step in arranging to dispense with its four Walking Delegates and to abolish the office.

The President of the society, as is right and proper, will receive a salary and his expenses, and will do the work commonly apportioned to the "business agents." Why should he not? The most important business of a Union is its dealing with employers. Why should not that work be done by its highest officer?

If the plan now adopted by the plasterers had been last spring the rule of the house-smiths there would have been no "Sam Parks issue," and the workmen of this city would have been better off by many millions of dollars.

MILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

A GREAT TRUTH.

How It Has Spread From Home to Home in Maysville.

In every part of Maysville; in the homes of the wealthy; in the humble abode of the man of toil 'tis now a well-known fact—a great truth—that Doan's Kidney Pills have brought more comfort to backache sufferers and cured more sick kidneys than any medicine of modern times.

Mrs. M. C. Chisholm of 343 East Second street says: "Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

The Best Remedy for Croup.

From the *Athlete* (Kan.) Daily Globe.
This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup, as a revolver is sure to be lost in case of burglars. There is no old-fashioned remedy for croup, known as hive syrup and toll, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

Portsmouth has a bonded debt of \$500,025; its School Board of \$77,600.

Dr. J. C. Norris, formerly of Fern Leaf, is a member of the new City Council at Augusta.

It takes longer for a freight car to travel from Pogue's Distillery to the Freight Depot than it does from Cincinnati to Pogue's. First distance, 62 miles; second distance, 1 mile. Now how old is Ann?

In Fayette county they are trying the experiment of oiling the country roads, which has proved so successful in other sections of the country.

Mr. Kendall Morgan, a well-known river clerk with the White Collar Line, died at noon Tuesday at his home in Augusta from dropsy of the heart. He had been sick for some time. His wife, who was Miss Lulu Snedaker of Ripley, with one son, survives him.

A Remarkable Case.
One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Peaner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 138 to 125 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. Jas. Wood & Son, Druggists.

The heavy fogs on the river recently have seriously interfered with the running of the packets.

Captain Kendell Morgan, who for many years was a clerk in the service of the White Collar Line of steamboats, died at his home in Augusta on Tuesday.

The Ayer-Lord Tie Company owns seven tow-boats as follows: Inverness, J. T. Duffey, Russell Lord, Pavonia, Margaret, Hosmer and Castella. All are laid up at Paducah.

Rivermen are using compasses to find their way safely back and forth on the Monongahela river on account of the dense fogs which have prevailed during the past few days. The ferry-men were unable to tell whether they were going down-stream, up-stream or whether they would land at the place where they started.

Special preparations are being made by the river shippers at Pittsburgh for another rise, which is expected at any time. The oldest rivermen recall reminiscences of the difficult times they formerly had in getting shipments South when the fall rises came. They had less facilities than they have now. Smaller boats were used, which made it dangerous to overload when logs were being carried down the stream. Now the boats and barges can stand anything that floats. The boats are so large now that only a high river can get them stuck, and as a consequence the river shippers have to take advantage of the floods.

Courier-Journal—In stating that the burning of the steamer City of St. Louis left only one of the old Anchor Line boats, we were misinformed. The City of Providence is an excursion boat at St. Louis. The Chalmers runs out of New Orleans in the bend trade. The City of Vicksburg was rebuilt and rechristened some years ago. The Hill City had her name changed to the Courine II. Spencer some time ago and now is being repaired at Mound City and expects to enter the excursion trade at St. Louis during the World's Fair next summer. So it seems that there are four of the famous old Anchor Line boats left.

Commercial Tribune—An earthly paradise arrived in Cincinnati yesterday. It is a kitchen 16 by 30 feet, in which thirty women, the heads of families, do the family cooking on one range, and strife is not known among them. The paradise is located on a steamboat called the Megiddo, which travels the rivers of the Middle West as a missionary boat. The boat is 205 feet long by 40 feet wide and it has three decks. It has fifty commodious staterooms, which measure 9 by 12 feet and are furnished as nicely as a house. There is a chapel on the second deck which will accommodate eighty-five people. There are two dining-rooms aboard the boat. One is 16 by 36 feet and the other smaller. There is a band of twenty-two pieces, with two organs and a piano. There are fifty children aboard.

A Scientific Discovery.
Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly overloaded or over loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. Jas. Wood & Son, Druggists.

Rev. Frederick W. Clappett, a prominent Episcopal Divine of Oakland, Cal., repudiates the doctrine of a future place of eternal punishment and declares that the Church will not make material progress until it ceases to inculcate that doctrine.

Superior to any other vegetable food—even the cereals—as sources of protein, are dried beans and peas. They rank among the most economical of all foods and compare favorably with most meats in point of nutrition.

Miss Whittaker, a prominent club woman of Savannah, Ga., tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, Miss EASY WHITTAKER, 604 39th St., W. Savannah, Ga."

No physician in the world has had such a training or such an amount of information at hand to assist in the treatment of all kinds of female ills as Mrs. Pinkham. In her office at Lynn, Mass., she is able to do more for the ailing women of America than the family physician. Any woman, therefore, is responsible for her own trouble who will not take the pains to write to Mrs. Pinkham for advice. Her address is Lynn, Mass., and her advice is free.

A letter from another woman showing what was accomplished in her case by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: I am so grateful to you for the help Lydia E. Pinkham's Vegetable Compound has given me that I deem it but a small return to write you an expression of my experience. "Many years suffering with weakness, inflammation and a broken down system, made me more anxious to die than live, but Lydia E. Pinkham's Vegetable Compound soon restored my lost strength. Taking the medicine only two weeks produced a radical change, and two months restored me to perfect health. I am now a changed woman, and my friends wonder at the change, it is so marvellous. Sincerely yours, Miss MATTIE HENRY, 420 Green St., Danville, Va."

The testimonials which we are constantly publishing from grateful women prove beyond a doubt the power of Lydia E. Pinkham's Vegetable Compound to conquer female diseases.

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root, pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
